"We Build To Conquer Dreams"

MVOPIL at a Glance

M. V. Omni Projects (India) Limited's (MVOPIL) growth story is based on the strong foundation of long term vision to position itself as a premier multi-disciplinary engineering organization capable of providing Engineering, Procurement and Commissioning services to infrastructure projects on turnkey basis. Today, MVOPIL has active presence in nine states of India and is pro-actively spreading its wings into other states and areas of operations.

Established in 2002 by Mr. M.C. Pandey and Mr. V. C. Pandey after string of successful projects, MVOPIL is technology driven engineering company with vision to contribute towards development of infrastructure. The company started with its first project executing telecommunication works for Department of Telecommunication (DoT), GOI. The Company is a registered 'AA' class contractor with R & B Gujarat and with other reputed government, PSU and other organizations. The Company is a licensed and approved Electrical Contractor by the Government of Gujarat.

With a dominant presence in the affordable housing segment of Gujarat, the company is among the top ten companies in this sector in the state of Gujarat. The company plans to position itself amongst the top ten companies of the country in the segment of affordable housing in coming decade.

MVOPIL firmly believes that its greatest asset is its human resources. It has the right mix of experienced professionals coupled with a young, committed and enthusiastic team of engineers and professionals, who are adequately empowered to take strategic and operational decisions, for sustaining the high growth exhibited by company, and help the company achieve an overriding position in the various industry segments in which it operates. MVOPIL conducts dedicated skill trainings and seminars for staffs to learn and nurture their skills.

As part of its Corporate Social Responsibility initiatives, MVOPIL actively sponsors education expenses for deserving students, undertakes supplying free meals to the needy, relief work during natural calamities, etc.

Vision

To be a fully system driven, environmental conscious infrastructure company, committed to quality, customer satisfaction, and sustainable growth & enhancing s stake holder's value through the spirit of entrepreneurship.

Mission

To achieve the organizational growth using innovative methods, cutting-edge technology and the best global practices.

Our Core Values & Principles

- Integrity, Transparency & Honesty
- To Build Loyalty, Trust & Teamwork
- Adherence to Ethics
- Equal Opportunity to Succeed & Excel
- Innovation & Pursuit of Excellence

QUALITY POLICY

Quality Policy Statement

At MVOPIIL, we believe in achieving and sustaining excellence in its solutions & services business through an established Quality Management System. We believe in hundred percent customer satisfaction with best in class solutions and services.

Quality Objective

- Build a mutually rewarding relationship with our customers, ensuring their long term success, through understanding of their needs and expectations.
- Achieve our commitments for quality, cost and schedule.
- Drive continual improvement and innovation based on efficient business processes, well defined measurements, best practices and customer surveys.
- Develop team competencies, creativity, empowerment and accountability through enablement, development programs, strong management involvement and commitment.

HEALTH, SAFETY & ENVIRONMENTAL (HSE) POLICY

We at MVOPIIL, are committed to provide safe & healthy workplace for people and community. We take adequate measures to prevent Environmental pollution for its activities & services. To prevent any untoward incident / accident and ill-health to all employees, contractors and other stakeholders, we recognize HSE management as one of the top priority for sustainable organizational growth.

We believe, communication, consultation & collaboration with all employees and stakeholders and accountability at different level, shall uphold the principles of this policy. All employees support the implementation of this management policy– using the safety equipment issued to them, familiarizing them with the safety rules/ procedures of the organization and by enforcing appropriate corrective measures if violations are reported at site.

One Team, One Spirit, One Dream

MR. M. C. PANDEY
Chairman cum
Managing Director

'We had a clear vision in mind and we pursued it with single-minded determination, hard work and continuous improvement.' - Mr. M. C. Pandey

Mr. M C. Pandey is a promoter & Chairman of MVOPIIL. A commerce graduate and first generation entrepreneur. Mr. M C. Pandey started as a business person at very young age with single minded strategy of hard work and persistence. He is widely recognized for his path-breaking and visionary contributions to the building of modern India through his pioneering role as an infrastructure developer, transforming urban landscape of the country by setting new standards in the sector of Housing, Infrastructure, Railway, Telecommunication etc.

Having more than 20 years of rich experience in Infrastructure sector, he has put massive efforts to build up a strong foundation for venturing into other area of operation.

Mr. M. C. Pandey is a visionary and serving the country in his own way by building a quality life for citizens. His strong leadership quality has built up a team of young talented and committed professionals in the company dedicated towards building the nation.

BUSINESS VERTICALS

with endeavors, we construct the future

Civil Infrastructure

Affordable Housing

MVOPIIL has been an early bird in the field of affordable housing. Since entering into this field in the year 2007, the company has constructed more than 15000 houses for economically weaker sections in the cities of Ahmedabad, Vadodara and Surat for government and urban local bodies.

Commercial Buildings & Social Infrastructure

MVOPIIL has undertaken social infrastructure projects like IIIDEM campus in Delhi and GSRTC Bus Terminals in Gujarat presently. MVOPIIL has executed Commercial Infrastructure Buildings like the NBCC Centre at New Delhi and CISF campus at Delhi & Ratnagiri and other projects such as health centers, stadiums, night shelters, lake renovation works etc.

Bridges & Roads

MVOPIIL plans to increase its presence in this sector. The company targets to book major orders in this sector over the next five years, by leveraging its presence, network and strong credentials through successful execution of its existing projects.

Railway Engineering

MVOPIIL has executed many railway projects such as construction of new broad gauge railway line, bridges etc., and signaling & telecommunication commissioning and operations & maintenance. Apart from participating in the tenders being floated by the Railways, the company plans to focus on two emerging areas of Railways modernization plan namely Railway land Development and modernization of Railway stations on PPP basis.

Irrigation

MVOPIIL has executed many construction of canals including lining, structures and underground pipe irrigation etc., for clients like Sardar Sarovar Narmada Nigam Ltd.

Signaling and Telecommunication

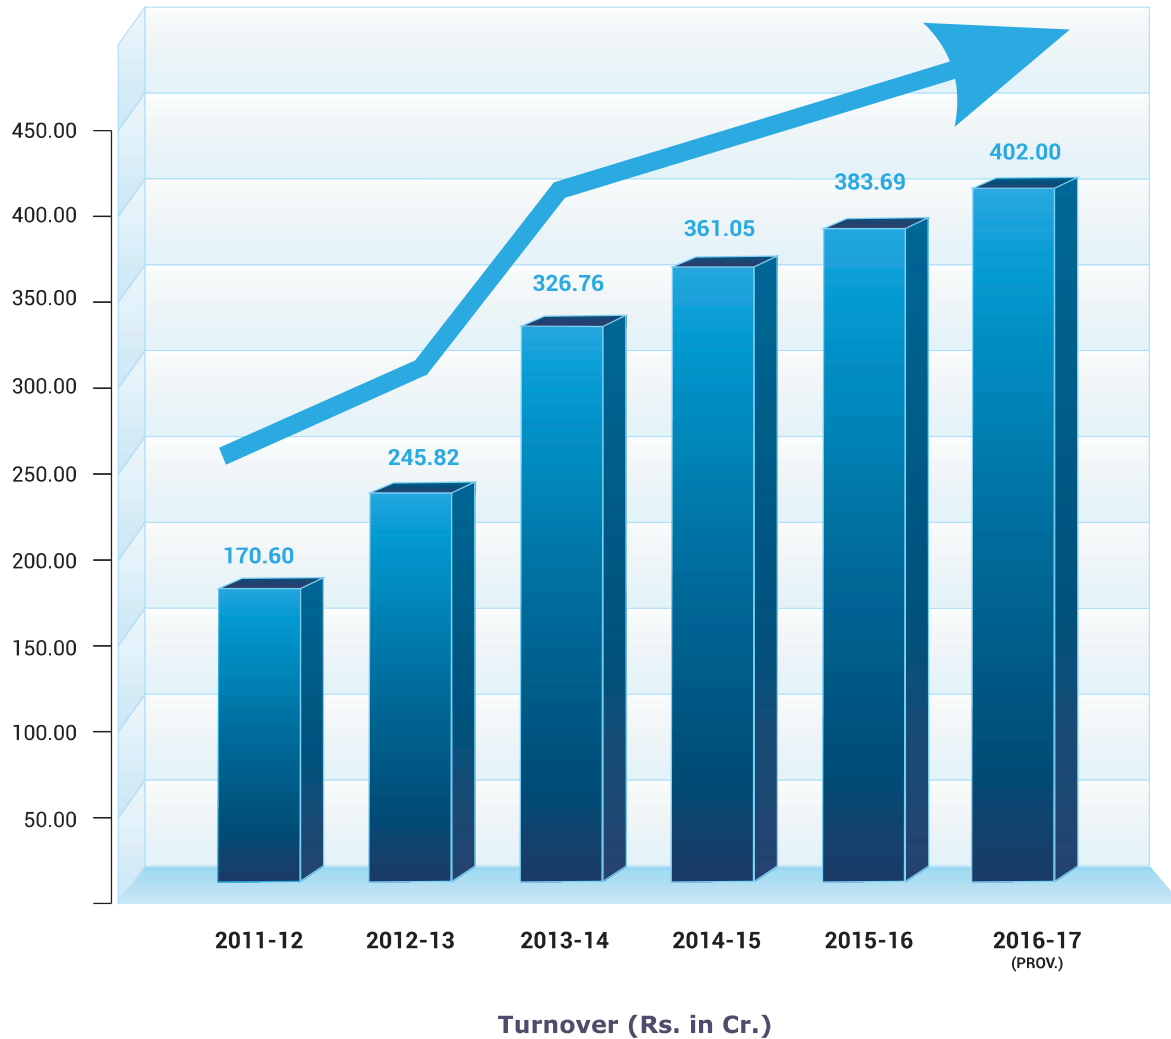

MVOPIIL started its journey of growth by entering into Signaling and Telecommunication sector and achieved a remarkable success of Survey, Laying and commissioning of more than 20,000 Kms OFC Cables and 75000 kms various Core/Quad cables for Railway, Railtel, RVNL, TCIL, BSNL, Idea etc.
